

“Light up your world”

**PRODUCT PROFILE**  
**TECHNICAL PRICE LIST - MAY 2024**

**SHREE BHERUNATH ENTERPRISES**., founded in 2006, Also known by our renewed brand vlite.our company is located in Vasai, District Palghar, Mumbai, India. It is a national high-tech enterprise specializing in R&D, production and sales of LED Lighting Solutions. The company has an independent workshop of 30,000 square feet, nearly 300 employees, a professional leading independent research and development team, laboratory and fully automated product production lines, modern production workshop, products independently and all parts of mold design and manufacturing, with a highly automated injection molding, die casting, STM, automatic whole lamp assembly line equipment, and in line with national BIS standard test lab, and make the product quality can reach effective guarantee Perfect **RESEARCH & DEVELOPMENT** System, as well as the high-quality R & D team, which can independently complete the whole process from demand management, product design, mould design, production and manufacturing product testing and certification. The factory has passed ISO 9001: 2015, energy saving certification and other certification, the implementation of standardized management, institutionalization, automation to complete product production and testing, to ensure product quality.

At vlite we are not just in the business of lighting, we are in the business of transformation. join us as we illuminate the world, one LED at a time

**WELCOME TO VLITE.**
